

# What Can I See?

## Facts about an Artwork

### **The Human Touch – Technical Features**

- *What tools, materials, and processes did the maker use?*
- *If you were making an artwork, what tools, materials, and processes do you think you might use?*

### **The Real Thing – Reproduction Vs Original**

- *How is the reproduction different from the original?*
- *If you haven't made a drawing since you were a child, or if you are a practicing artist, think about an artwork you once made. What qualities of that work do you think might be difficult to capture in a reproduction?*

### **Treasures – Care**

- *How is it protected from harm?*
- *If you were planning to make an artwork, what do you think you could do to make it last longer?*

### **All Things Visible – Visual Features 1**

- *What lines, shapes, values, and colors did the maker use?*
- *If you were planning to make an artwork, how do you suppose you might begin to think about what lines, shapes, values, and colors you would use?*

### **More to See and Touch – Visual and Tactile Features 2**

- *What texture and form in space did the maker use?*
- *If you were planning to make a three-dimensional artwork, how do you suppose you might begin to think about the textures and forms you would use?*

### **People, Places and Things – Subject Matter**

- *What people, places, or things are shown?*
- *If you were thinking about making an artwork, what people, places, or things, if any, do you think you might show?*
